

# LIGHT TRUCK

## SUPERB MILEAGE AND PERFORMANCE

### GI377

- Rib/lug pattern for highway driving designed for all-position use.
- Excellent traction performance.
- Longer mileage and enhanced resistance to irregular wear.

### GI327

- All-round design for on-and off-road use.
- Tough materials provide cut resistance.
- Excellent durability in tough road conditions.
- Tread compound which minimises heat build-up.

### RI103

- General purpose, all-position tyre for highway service.
- Long service life and excellent steering stability.

### R1300

- Rib/lug pattern for on-and off-road conditions, designed for all-position use.
- Excellent traction performance.
- Enhanced resistance to cutting and chipping.
