

## PROXES C100 PLUS

### PERFORMANCE RATING

Developed with Toyo's advanced tyre technology, the **Proxes C100 plus** is an asymmetrical car tyre providing exceptional ride comfort, low noise and higher mileage. Available in a wide range of sizes to suit many popular modern vehicles including Toyota Corolla, Mazda 3, Hyundai i30, Holden Commodore, Toyota Camry and Aurion.

### FEATURES

**New wear-resistant silica tread compound**

**Optimised pattern arrangement with variable pitch pattern**

**New casing design**

**"Silent Wall" serrations on walls of main circumferential grooves**

**Asymmetric tread design with four main circumferential grooves**

**Produced with Toyo's A.T.O.M production system**

### BENEFITS

Long tread life, high levels of traction on wet roads & low rolling resistance

Minimised tread pattern noise & resistance to aquaplaning

Provides exceptional ride comfort without sacrificing cornering grip.

Minimised tread pattern noise (high pitch).

Balanced dry and wet weather performance and aquaplaning resistance.

Exceptional uniformity for user comfort and easy installation.
