

**PROXES T1 Sport**

**PERFORMANCE RATING**

The **Proxes T1 Sport** is an ultra-high performance passenger car tyre that provides exceptional levels of cornering and braking grip in wet or dry conditions, high speed stability and fast steering response.

The asymmetric tread pattern provides low tread noise without compromising performance. The characteristics of the Proxes T1 Sport make it suitable for high performance sedans and coupes.

**FEATURES**

**Asymmetric tread pattern and tread compounds**

**New tread compounds with special bonding agent**

**Rayon casing, high rigidity sidewall, bead and belt package**

**Wide casing profile**

**BENEFITS**

High levels of wet and dry grip and low tread noise

High grip levels and high rigidity for optimised braking and cornering performance

Fast steering response, high levels of cornering and braking grip and exceptional high speed stability

High levels of cornering and braking grip
